(MS PowerPoint – <1 Mb)

**Expected Duration:**

Approx. 10 minutes

Noughts and Crosses is a classroom quiz resource based on the classic game. Teams compete to answer questions and complete a row of three symbols.

**Preparation:**

Noughts and Crosses is a generic resource that can be used with any subject and topic. Questions and answers need to be prepared in advance and recorded on a separate sheet.

**The Activity:**

Divide the group in two teams – the noughts and the crosses.

Each team takes turns to answer questions. If they get the question right they can nominate a square to change to their symbol.

The winning team is the first to get three symbols in a row.

To play again click the 'Reset Grid' button.
